ENGLISH SPEAKING GERMAN LAWYERS

This list is being provided by the Legal Assistance Office simply as an aid in helping clients find local German attorneys who speak English. The Legal Assistance Office is not making a referral to any particular attorney on the list nor is it vouching for the competent or expertise of any attorney who appears on the list. Whether any attorney on this list should be retained is solely a matter for the client to determine and the client is free to retain any attorney to assist with their matter in Germany whether the attorney ultimately retained is on this list or not.
